

**External/Internal Agencies (EoDB Nos-191&192)**  
**List of Registered/ Empanelled of contractors for all classes (As on 22.07.24)**

The registered / empanelled contractors engaged for internal / external water installation works must visit the work site frequently for ensuring the quality as per the standards:

- (a) The inspection by contractor / company shall be done for every (15) days during their execution.  
 (b) The issuance of certificate of compliance by contractor / company shall be done after every inspection.  
 (c) For every inspection, it is the responsibility of the concerned contractor / company to ensure the quality and safety of the works.
