

External/Internal Agencies (EoDB Nos-191&192)

List of Registered/ Empanelled of contractors for all classes (As on 29.05.2025)

The registered / empanelled contractors engaged for internal / external water installation works must visit the work site frequently for ensuring the quality as per the standards:

(a) The inspection by contractor / company shall be done for every (15) days during their execution.

(b) The issuance of certificate of compliance by contractor / company shall be done after every inspection.

(c) For every inspection, it is the responsibility of the concerned contractor / company to ensure the quality and safety of the works.
